Average Repair Costs*

What is MBI?

Mechanical Breakdown Insurance (MBI) covers the reasonable cost to repair the actual failure of mechanical or electrical parts as a result of a sudden and unforeseen breakdown that occurs during normal use in New Zealand, unless otherwise excluded in the policy book.

Additional Benefits

Reimbursement for costs – If your vehicle takes more than 24 hours to repair and you are more than 100kms away from your home you may choose from the following up to the maximum claim limit:

- Up to \$250 repatriation costs for your vehicle to your home address or another location
- Accommodation, rental car hire or return home travel up to \$500 per claim

AA Motoring

Roadservice Cover

AA Roadservice – unlimited callouts, 24 hours a day, 7 days a week, 365 days a year assistance with towing, flat battery, lockout service, lost keys, flat tyres and out of fuel.

Important Information

- You are required to keep your vehicle serviced at your cost to ensure the cover under this policy remains in place
- Exclusions apply – please refer to the We Do Not Cover section of the policy book
- You may cancel this policy by providing written notification to Autosure within 15 days of receiving your policy documentation.

*Average repair cost estimates based on claims in 2019, are for illustrative purposes only and can vary depending on car make/model. Not all components are covered by all policies. Please refer to our policy wording for confirmation of covered components and limits. Any mechanical breakdown claims are subject to the terms and conditions of the policy.

This is a summary only - please see the policy book for full terms, exclusions, conditions and benefits.
